Warren County Sheriff's Office Investigating a Homicide

December 26th, 2016
6:30 a.m.

On Sunday, December 25th, 2016 at 10:10 p.m. deputies were called to the 5100 block of Montgomery Ave. in Franklin Township in reference to a male subject lying in the roadway. When deputies arrived they found Jeremy Thomas Foxx, 24, deceased in the roadway from an apparent gunshot wound. Officers from the Carlisle Police Department had been called to the 100 block of Montgomery Ave. earlier in the evening for a shots fired complaint. These two incidents appear to be connected.

Warren County detectives are asking for the public's help in locating the vehicle possibly involved in this crime. The vehicle is described as an older model black Chevrolet single cab pickup truck with a long bed. The vehicle has a loud exhaust and is possibly missing the front windshield. Anyone with any information about this crime or the vehicle is encouraged to contact the Warren County Sheriff's Office.
