### Scam Phone Calls

April 22, 2016  
9:00 P.M.

On Friday, April 22, 2016, several citizens in the Deerfield Township and Mason area have received phone calls from a subject identifying himself as a Warren County Deputy. He tells the victims they have a warrant for their arrest for missing jury duty. The subject then requests payment over the phone to keep from being arrested on the warrant. At least one victim provided payment information and was scammed out of approximately \$2000.

The Warren County Sheriff's Office wants citizens to be aware that we do not call and request payment for warrants over the phone. If anyone receives this type of call please just hang up and contact your local police agency.
