MEDIA RELEASE
December 21st, 2017 1600hrs.

Warren County Sheriff's Office

The Warren County Sheriff's Office, as is common this time of year, has received several complaints of possible package thefts from residential neighborhoods.

In response, detectives have been conducting covert operations throughout the county by surveilling package deliveries in hopes of deterring or catching a theft in progress.

We are asking residents to be mindful when expecting deliveries, and should you witness suspicious persons or vehicles, please contact the Warren County Communications Center.
