CHIEF DEPUTY

## WARREN COUNTY SHERIFF'S OFFICE

### **MEDIA RELEASE**

December 13, 2019 at 1:45 p.m.

### ***Shooting Leaves One Dead***

At 2:48 a.m. today, deputies received a 911 call to 1869 Oregonia Road, Lebanon, Turtlecreek Township for reported prowlers. Detectives have determined that minutes before this call was received, there was gun fire outside, yet near the residence, which left one 18 year old male dead and one juvenile critically wounded. Neither of them lived at this residence.

This is a rapidly evolving homicide investigation spanning multiple jurisdictions. Detectives have and will continue to conduct interviews with cooperating parties and as credible suspect information is available, we will share when appropriate.

The homicide victim was a student of the Warren County Career Center. We have been in close contact with school administration and they are taking every step to provide for the students welfare during this difficult time.

Deceased is 18 year old Mason Nicholas Trudics of Centerville.

We are not releasing any of the juvenile victim's information or a suspected motive at this time.

Barry K. Riley  
Chief Deputy
